Tuesday October 1, 2024

Dear Ms. James,

The annual termite inspection for Tiger Lake Subdivision will be due in November. Please see the attached inspection schedule. In order to complete the inspections in a timely manner; ensuring to check inside and outside on every property, the technicians cannot deviate from this schedule.

As always, however, there will be 2 make up days in December to accomodate those tenants or owners that may not be available on their scheduled day.

Sincerely,

Bryan Pest Control
